

Support Our Troops Licence Plate

Thank you for purchasing a Support Our Troops licence plate. The Government of Alberta is proud to honour the men and women who have served at home and abroad with this new licence plate. Net revenue from the licence plates will be distributed to funds which provide essential support to Alberta military families that need it most.

If you choose to affix this licence plate to your vehicle, you must register this plate at your local registry agent. Please note that Support Our Troops licence plates are **only** eligible for class 3 passenger and government vehicle registrations.

You have two options for registering your plate:

1. Renew your vehicle registration and exchange your current licence plate for the Support Our Troops plate. The standard registration renewal fee will apply with no additional fee for the plate exchange.
2. Exchange your current (valid) licence plate for the Support Our Troops licence plate without renewing your registration. The standard licence plate exchange fee and registry agent service charge will apply.

The registry agent will provide an updated certificate of registration, as well as year and month stickers to be applied to the licence plate. Once registered, your Support Our Troops licence plate replaces your current licence plate and must be displayed on the rear of your vehicle.

Remember - Your new Support Our Troops licence plate must be registered before being affixed to your vehicle.

If you have any questions, please call the Government of Alberta Contact Centre at (780) 427-7013. To call toll-free, first dial 310-0000.
